

WORLD IN WORK

How to tweet a snapshot of your World in Work profile to employers...

1. Log in or register at www.worldinwork.co.uk for free and create a great World in Work profile (see our blog for tips on how to)
2. Log in to www.worldinwork.co.uk on your smartphone
3. Take a snap shot of your profile
4. Edit / crop the snap shot to your liking and save the image

5. Open twitter, search for the employer you want, or search various hashtags for example...

#hiring #jobs #careers # new job
#vacancy #work #jobsearch

6. Tweet your message and add your profile snapshot from your photo's.

Good luck and let us know how you get on. Tweet us your profile @worldinwork and we'll give you another tip.
